Declaration by the Presidency of the European Union on Kosovo

• On: 14.11.2008

The Presidency of the Council of the European Union firmly condemns the attack committed on Friday evening in front of the building housing the office of the European Union Special Representative in Kosovo.

The Presidency recalls the European Union's determination to work towards establishing the rule of law in Kosovo for the benefit of its entire population, through the European police and justice mission in Kosovo (EULEX Kosovo) which is currently being deployed.
